Dear Minister Fassbender:

**Re: Little Australia Park and Metro Vancouver Works Yard**

I have received your letter concerning the above-noted matter.

Despite the serious implications for Pacific Spirit Park and the Little Australia Park of your government's refusal to renew the lease for Metro Vancouver on the existing works yard site, you did not explain what future use the Province has in mind for the property.

Can you please be clear with my constituents and share your government's plans for the future of the existing works yard site given that they are being asked to support a proposal involving either the loss of a community park or a the removal of land from a regional park?

Yours truly,
